Reading Great Literature

Helps me experience and understand

What is good, true, beautiful

What is evil

What it means to …

Love
Hate
Forgive
Be betrayed
Be at the end of my rope
Experience adventure
Experience loss
Take risks
Sacrifice for others
Face adversity
Be a friend
Have a friend
Be completely alone
Be free
Be enslaved
Be a creator

It helps me think about the meaning of life and the meaning of death

Studying literature is an essential part of being human!
