

# Reading Great Literature

Helps me experience and understand  
What is good, true, beautiful  
What is evil

What it means to ...

Love  
Hate  
Forgive  
Be betrayed  
Be at the end of my rope  
Experience adventure  
Experience loss  
Take risks  
Sacrifice for others  
Face adversity  
Be a friend  
Have a friend  
Be completely alone  
Be free  
Be enslaved  
Be a creator

It helps me think about the meaning of life  
and the meaning of death.

Studying literature is an essential part of being human!
